OBJECTIVE

After nine years of managing my own practice as a Registered Massage Therapist I recently completed a full-stack web development program through the UNB College of Extended Learning. I'm seeking opportunities to join a collaborative development team where I can grow my web development career and apply my creativity to new challenges.

EDUCATION

Full-Stack Web-Dev Bootcamp

2022 – 2023

University of New Brunswick College of Extended Learning/ EdX

Advanced Diploma, Massage Therapy

2012 – 2014

Centennial College, Toronto, ON

Graduated with High Honors (GPA 4.35+)

TECHNICAL COMPETENCIES AND KEY CERTIFICATIONS

PROFESSIONAL HIGHLIGHTS

- Following apps found on my portfolio here: bwyattdev.github.io/bwyattdev/
- **The Neighborhood:** Social Media app with functional likes, friends, profile viewing, full authorization, persistent database to store friends and likes, functional dark mode. Built with MERN stack.
- **Body Buddy:** Mobile forward full-stack fitness app where a user can create an account and create/save workouts and populate them with exercises from a 3rd party API. Uses Next.js 13.2, Prisma, MongoDB, and React.

PROFESSIONAL EXPERIENCE

Self-Employed, Toronto ON / Paris FR / Terrace BC / Saint John NB

May 2014 - Present

Registered Massage Therapist

- Developed strong problem-solving skills by using assessment skills to discover client's issues, providing an evidence-based diagnosis, and using a variety of tools to provide effective treatment.
- Cultivated strong communication skills, building rapport with clients through active listening and providing clear explanation of treatment plans and progress.
- Prioritized and multitasked effectively, managing multiple client appointments, processing confidential records and reports, overseeing finances and managing business activities.
